A CELEBRATION of Life

Hilton Head Choral Society performs for Hospice Care of the Lowcountry

The holiday season is a time to make memories and remember loved ones as well as celebrate friendships. **Light Up A Life** is a special holiday event that offers you a way to recognize the season while making a difference in the lives of others by supporting the mission of Hospice Care of the Lowcountry.

A "Remembrance Ceremony" will be held on **December 14** at 7 pm in The Mall at Shelter Cove during which all are invited to join by lighting a light in memory of a special person(s). The "remembrance lights" are placed on the remembrance tree and then, once the tree is lit with all the bright and glowing candle lights, the Hilton Head Choral Society will perform and sing joyous holiday carols.

In addition to thanking participants for their thoughtful donations, Hospice will notify all honorees, family members or friends of their generous gifts to Light Up a Life 2004. The names of tree light honorees and memorials will also be listed in a remembrance book that can be viewed at the ceremony.
