**C**alling all taffy engineers, horse massueses, and fire-work artists! Monthly wants to feature your unique, interesting, or unusual occupation! Whether you have a master's in laughter therapy or have made your way in the worm farming business, we want to hear your story! In 200 words or less, tell Monthly what makes your day job so fascinating (or just plain bizarre) and you could see yourself in print!

All entries must be received by June 14th. Send your entry, along with a self addressed, stamped envelope (if you want your entry returned) to:
