

Call 912-819-4100, or 912-819-6000. Click on "Facilities" at www.sjchs.org. St. Joseph's also has an outpatient center in Bluffton, 815-2611.

**Memorial Health - Savannah, GA
Backus Children's Hospital**

Located within Memorial Health University Medical Center, children's services include a neonatal intensive care unit, critical care, intensive care and rehabilitation. (912) 350-1543

Curtis and Elizabeth Anderson Cancer Institute at Memorial Health University Medical Center (MHUMC) and **Center for Breast Care** includes medical and surgical oncology and is one of the area's only medical centers devoted to evaluation and treatment of breast cancer. Call: Cancer Institute (912) 350-8490; Breast Center (912) 350-2700, or visit www.memorialhealth.com

Both Memorial Medical Center and St. Joseph's/Candler Medical Center in Savannah have specialty clinics devoted to inpatient and outpatient rehabilitation.

MUSC - Charleston, SC

- **Hollings Cancer Center** is currently undergoing a \$40 million expansion project to be completed in 2005 that will increase total square footage from 88,000 to 202,000 square feet and add three stories. Portions of the new facility will be open this year.

Clinical space will include 60 exam rooms, a 40-chair day treatment/chemotherapy suite, outpatient pharmacy and laboratory, and 84,000 square feet of new research space.

Outpatient services include day treatment for chemotherapy and radiation, cancer screenings, hospice care and more. Patients may either self-refer or be referred by their physician. Inpatient care is provided in two main units at the MUSC hospital and Children's hospitals. Established patients and self-referrals: (800) 424-MUSC, or 843-792-9300. Or visit: <http://hcc.musc.edu/hcc>

- **Digestive Disease Center**

Located within the MUSC campus is the Digestive Disease Center, the area's only specialty site for evaluation and treatment of diseases
