## WHERE TO GO:

### NFL Fan Bases:

**The British Open Pub**

**Highway 278, Village at Wexford (686-6736)**

Fans of the Philadelphia Eagles can be found nesting here every fall, watching this year's exciting draft play out behind buckets of authentic Pennsylvania Rolling Rocks and Philly cheese steaks.

**Hilton Head Brewing Company**

**Hilton Head Plaza off Sea Pines Circle (785-BREW)**

Steelers fans can strap on their hardhats and enjoy the VIP treatment at the Brew Pub. When Pittsburgh plays, die hard Steelers fans are given their own special section of the restaurant.

**Reilley's**

**Hilton Head Plaza off Sea Pines Circle (842-4414)**

Patriots fans can catch all the action on a pair of 42" plasma TVs and two 46" big-screens. If you want to follow another game, Reilley's will gladly show it on one of the many screens situated throughout the restaurant.

**Jump and Phil's Bar & Grill**

**Hilton Head Plaza off Sea Pines Circle (785-9070)**

Cheeseheads rejoice! Jump and Phil's is the place for Packer games, shown proudly on a 51' TV. Come early, as the football action and Johnsonville Brats pack in the crowds.

**Hinchey's Chicago Bar & Grill**

**2 North Forest Beach Drive, Beach Market Plaza (686-5959)**

12 TVs show games from all over the NFL, with special emphasis obviously placed on "Da Bears." Of course, you'll also get college fans of Notre Dame and University of Illinois every Saturday.

### COLLEGE SATURDAYS:

**Mangiamo!**

**1107 Main Street (682-2444)**

For Buckeye fans, Mangiamo! is as close to tailgating outside the 'shoe as you can get without heading north. The highlight of the Bucks season will naturally be the Michigan game, for which Mangiamo! will host a joint tailgate party with:

**Main Street Café & Pub**

**1411 Main Street (689-3999)**

Michigan Wolverine fans call the Main Street Café & Pub home, enjoying happy hour pricing throughout the entire game, plus appetizers that range from standard tailgate fare to upscale wines and cheeses.

### COLLEGE AND NFL BLITZ:

**Callahan's Sports Bar and Deluxe Grill**

**49 New Orleans Road (686-7665)**

Callahan's is the mecca for many football fans. Browns and Steelers fans co-exist peacefully (or as peacefully as Browns and Steelers fans can), while NCAA fans root on teams from all over the south, including the South Carolina, Clemson and Georgia, plus Big Ten action.

**Casey's Sports Bar & Grille**

**37 New Orleans Road (785-2255)**

With 50 TVs to fill, odds are good that Casey's is showing your game. Sundays lean towards the Buffalo Bills, the Washington Redskins and the Pittsburgh Steelers, but there's always a good mix of fans from around the league who come for the drink specials and wall-to-wall football.

**Rack's Sports Bar**

**Heritage Plaza behind New York City Pizza (842-4660)**

14 screens will be showing all number of games from NFL to college starting in the fall. For college fans, Racks will open at noon on Saturdays. Plus, you can shoot a few games of pool during halftime.
